SYMPOSIUM

"Recent Advances in Meta-Analysis: Methods and Software"

23 AUG – 24 AUG 2023

Venue: Tagungs- und Veranstaltungshaus Alte Mensa, Emmy Noether Saal

Wilhelmsplatz 3, 37073 Göttingen

SAVE THE DATE: Tim Friede, Christian Röver (Department of Medical Statistics, University Medical Center Göttingen) and Markus Pauly (Faculty of Statistics, TU Dortmund University) are pleased to announce a symposium on current methods and software tools for meta-analysis to be held in Göttingen. The exact programme will be announced in due course, but here is a preview on invited speakers.

Invited speakers on methods and on R packages for meta-analysis will include:

Sofia Dias,
University of York

Christian Röver,
UMG Göttingen

Satoshi Hattori,
Osaka University

Gerta Rücker,
University of Freiburg

Guido Knapp,
TU Dortmund University

Wolfgang Viechtbauer,
Maastricht University

David Rindskopf,
City University of New York

Sebastian Weber,
Novartis Pharma AG, Basel

Registration is free but required by 1 AUG 2023 at the latest.
For registration please contact Judith Heinz at judith.heinz@med.uni-goettingen.de.
